- The grades for Maria Msiro are among the list above.

End of form 1 Results (2009)

- 10 students (4 boys, 6 girls) who were in form 1 in 2009 academic year are in form 2 since all form ones go to form two whether they pass or fail.
- Only 3 boys passed end of term examinations in form 1 representing 30%.
- 2 boys who managed to score well in other subjects failed because they failed English.
- Enclosed are the school reports

Group counseling

- Individual and group Counseling to have been provided to the students in relation to their performance ad behaviour. Ndazona Matola was one of the students who received individual counseling after hearing that she is too playful. Gladys Kaduya was also counseled after hearing that she is rude to the teachers. Ester Munta was counseling after hearing from her sister that she is rude at home.

It was a day of receiving writing materials and individual /group counseling at Muhasuwa C.D.S.S (Standing is Florence Musasa one of the Board members , Lucy the Director in the middle and Angela the social worker in red skirt).

Identification of 10 new needy students for 2009 to 2010 academic year

- For the past 2 academic years identification of children was done in collaboration with teachers, school committee ad NAMASO but students were not given a test as a result number of failures was high. So board and management decided to introduce amplitude test to the identified form 1 needy students in order to reduce the number of failures in class.
- 15 (6 girls, 9 boys) needy students were identified and all were given an amplitude test (English and Mathematics).

Examinations for the identification of 10 new needy students in progress.

- 11 students scored above 50 % but we selected the best 10 students. We gave them a test to reduce the number of failures on our bursary list. The identified students and their scores are as follows:

NO	NAME OF STUDET	SEX	AGE	GRADE%	VILLAGE	WHO DIED

- All these students are from Namadidi C.D.S.S. This year we decided to identify the 10 new students in one school to increase impact in one area and at the same time for easy management of the test. Next year we may identify from Muhasuwa C.D.S.S.

TAO, Parents, Teachers, school committee, NAMASO and students meeting

- 1 joint meeting to have been done at Muhasuwa C.D.S.S with the aim of building a relationship among all the partners stated above. It was the time when form 1 students had not yet reported in schools. So it was only form 2 and 3 students.
- 45 people to have participated in this meeting. 17 were students, 17 parents, 7 were representatives from teachers, NAMASO, school

committee, 4 TAO officers.

- The meeting was very successful because it was an eye opener to all the partners. Enclosed are the minutes of the meeting.

A group photograph soon after a joint meeting. Form 2 and 3 Students in front lines and parents behind them carrying some of the text books they received.

IMPACT OF THE JOINT MEETING

- These meetings will amass the effort of encouraging the student in working hard in school because all parties will be involved in monitoring the performance, behavior and attendance of the students. This empowers every party to take up responsibility hence achieving our objective.

PAYMENT OF SCHOOL FEES.

Schools fees for 1st term (Dec 2009 to Feb.2010) to have been paid for 30 students. Enclosed are the school fees receipts.

SCHOOL MATERIALS

- All children to have received 10 notebooks each, 2 ball point pens.
- 10 form 2 students received school uniform.

Posing for a photograph with all smiles in a new uniform. They are form 2 students 5 (3 girl, 2 boys) from Muhasuwa and 5 (3 girls, 2 boys) from Namadidi C.D.S.S

LIBRARY

- A moving library to have been established.
- Identification of text books was done in collaboration with the subject teachers in schools in order for us to buy the recommended books (books which are in the syllabus)
- 85 text books of various subjects to have been bought and lent to students.
- We are working hand in hand with the teachers of these schools to help us monitor the books since they are the ones who are close to them.

IMPACT

- The text books will increase the reading culture of the children as a result their knowledge will be boosted. If their knowledge is boosted they will perform well in class.
